Dear Sir,

We take this opportunity to express our appreciation of your achievement in completing the MEP works for the MAG214 Tower Project to our satisfaction.

We acknowledge your sincere devotion in implementing the Quality Control Procedures in order to achieve such good quality results on one of our landmark Tower in the city of Dubai.

Furthermore, the implementation of the necessary HSE Procedure and your continuous directives to concerned staffs had a significant impact in having a safe working environment at the project site.

We are also aware of your contributions in the planning and the preparation of the program of work to continuously adapt to the Main Contractor's master programme in supporting with the necessary resources for work execution and your involvement in analyzing and finding suitable solutions for the problems encountered during the design and construction of the project which added value to the project.

We acknowledge your professional and cooperative approach during the defect liability period which was reflected in the fast response of your qualified maintenance team and also in concluding of the tenant maintenance requests to the satisfaction of the tenants.

We appreciate the efforts and devotion you have shown in completing the project and we will not hesitate in having another business relationship with you.

We wish the best in your future endeavours.

Yours sincerely,

**Dr Basheer Khan**
